*Brianne E. Little*

INTERIOR DESIGNER

## ABOUT ME

Passionate Interior Designer with 8+ years experience in commercial design in northern Indiana, central Ohio, and surrounding markets. Experienced in managing design projects from concept to final finish and installation. Committed to continual learning and easily adaptable to multiple roles and project styles. Seeking a role as a designer in a company focused on innovative design and building employee knowledge of design practices.

## PROFESSIONAL EXPERIENCE

**Lupton Rausch Architecture + Interior Design (Columbus, OH)**  
June 2021 - Present

*Designer / Drafter*

Produced design options, space plans, and details, and drafted for projects across multiple market segments, including luxury apartments, corporate office buildings, and multi-tenant complexes. Created renderings for design discussions with clients using Revit and Enscape. Rendered elevations for City Planning Commission review in Photoshop.

**Panzica Building Corporation (South Bend, IN)**

June 2014 - August 2014, Intern

June 2015 - November 2021

*Assistant Interior Designer / Social Media Manager / Event Planner*

Assisted with and managed interior design work across multiple market sectors in commercial and high-end residential design. Project work encompassed corporate, education, healthcare, fitness, senior living, and luxury condominiums. Sourced and installed furnishings, art, and accessories while maintaining budget. Provided additional assistance to construction and architecture teams during all phases of the design-build process. Created and managed social media channels for the company and an associated property. Planned multiple corporate events on condensed timelines while maintaining budgets.
